Re: United States v. Christopher Collins, et al., No. 18-cr-567 (VSB) (S.D.N.Y.)

Dear Judge Broderick:

We write on behalf of our client, defendant Christopher Collins, and respectfully submit this letter further to the Status Conference held on September 12, 2019, and the Court's directive to submit a letter addressing potential additional motions bearing on the Speech or Debate Clause of the United States Constitution. Please be advised that today, Congressman Collins filed a Notice of Appeal to the Second Circuit regarding the Court's prior Speech or Debate Opinion and Order dated September 6, 2019. ECF No. 120. Congressman Collins does not anticipate filing any further motions in this Court bearing on the Speech or Debate Clause during the pendency of this appeal.

We have conferred with counsel for the Government regarding the Congressman's Notice of Appeal and advised the Government that Congressman Collins will not be filing any additional Speech or Debate motions at this time. Accordingly, there is no need to set a schedule for any such motions.

Respectfully Submitted,

Jonathan R. Barr
